Subject: RE: The Lodge

Thank you. We will keep an eye out for a Planning Board and/or ZBA application.

I am assuming the Order to Remedy Violation includes a Stop-Work Order as well? It is not specifically spelled out in the Order to Remedy. I would not want the property owner to proceed with the illegal site plan work pending the site plan application/approvals, or even prior to the August 10, 2018 deadline.

Thanks again.

John W. Furst, Esq.
